An aerial photograph of a tropical island, likely in the Maldives or a similar location. The island is small and rectangular, covered in lush green vegetation. It is surrounded by a shallow lagoon with clear, turquoise water, which transitions into a deeper blue ocean. The sky is a vibrant blue with scattered white clouds. The text is overlaid on the left side of the image.

*Little drops of water,  
Little grains of sand,  
Make the mighty Ocean and  
the pleasant sand.*
